City of St. Charles School District

PURPOSE

In an effort to enhance educational opportunities for high school students, the Missouri State Legislature established the Outstanding Schools Act (OSA) of 1993 which includes the provisions of the A+ School Program. Since being designated as A+ Schools, St. Charles High School and St. Charles West graduates who meet specific A+ criteria are eligible to receive reimbursement for tuition and general fees subject to legislative appropriation to attend any public community college, vocational, or technical school in the state of Missouri.

The purpose of this manual is to provide students, parents, faculty and staff with the guidelines and policies of the A+ Schools Program. It is the responsibility of the City of St. Charles School District to follow these policies and to ensure A+ Schools designation is maintained. Accurate certification of students is crucial to the integrity of the program and A+ School designation. It is the responsibility of the students and parents to read this manual carefully to understand all the guidelines and regulations before signing the Students Participation Agreement.

Following the end of each semester, students who are participating in the A+ Program will receive a letter reporting their progress in each of the required areas. Any questions or concerns about the information reported should be directed to the A+ Coordinator. (See appeal procedure, page 15).

NOTIFICATION OF A+ STATUS

The A+ Coordinator will review all records of A+ students, and names of eligible students will be submitted to the principal and Guidance Office for official certification upon graduation.
