

Alternative Method of Instruction (Virtual Learning AMI Day)

- ❖ District families will be notified through the regular communication (phone call, text, social media) utilized by the District and their child's school, when an AMI day is scheduled.
- ❖ On AMI days electronic and/or web-based assignments and materials will be available for students to access from Google classroom. When possible, hard copy assignments will be provided as requested.
- ❖ Teachers may conduct a live zoom check-in with their classes at the beginning of their class to ensure all students are aware of the expectations and can clarify any questions as needed. *If no Zoom is required Google classroom should state otherwise.*
- ❖ Unless instructed by the teacher, students should follow their regular class schedule for the day for Zoom check-in.
- ❖ Student attendance will be recorded on days when AMI is assigned and will be documented by the completion of assignments and/or online participation in activities and assignments for all students; In-Person and Virtual.
- ❖ Teachers should be able to respond to emails throughout the day to assist students/parents as needed.
- ❖ Teachers have communicated with students on how to access the AMI information.
