IMPORTANT FACTS HOW ABSENCE MANAGEMENT (AESⁱOP) OPERATES

With the completion of your paperwork and background checks you are now ready to be entered into the Absence Management System.

Absence Management is open 24 hours a day, seven days a week. You can call anytime of the day or night. You can also go to the Absence Management website and review current assignments and possible new jobs. Use the Help tab on your Absence Management website for questions or contact Debbie Wilcox at 636-443-4002 or dwilcox@stcharlessd.org.

Absence Management calls from 5:30 AM through 10:00 AM in the mornings and again starting at 5:00 PM through 9:30 PM at night. Please read your instructions carefully and become familiar with all aspects of Absence Management.

1. Absence Management (formerly Aesop) is a web-based service that utilizes both the telephone and the Internet.
2. You are already registered with Absence Management. If using the telephone option, please call 1-800-942-3767. Enter your ID number (your telephone number) followed by the pound key (#). Enter your PIN number followed by the pound key (#). (These numbers were given to you by Debbie Wilcox)
3. **Absence Management will not leave messages on answering machines.** It will ask for a pin/ID number, but after a certain period of time (45 seconds) it will hang up. If you do not speak loudly and clearly saying Hello when the system calls you, it will end the call. Absence Management may call you again later if the position is not filled.
4. Absence Management will not allow you to hear other jobs when it calls you for a particular job in the morning or evening calling. It is programmed to go on until that position is filled for the next day.
5. It is not recommended that family members accept jobs for you. You are responsible for the job, and if they would forget to give you the message, it would create a situation of having a classroom without a teacher. This would be filed in your personnel folder as a no show. No Show's are not tolerated and are subject to dismissal.
6. Absence Management allows prearranged positions. Occasionally it will be necessary to contact you personally and offer you a position. It can be the Sub Coordinator, a building administrator, a teacher or an administrator's secretary calling you. In this case, Absence Management will not call you - you have already accepted the job verbally with the district. However, if you would like to receive the confirmation number it can be given to you or you may look it up online once the secretary or administrator has put the job in the system. This will enable you to hear any instructions that have been recorded along with what, when, where, and for whom you will be subbing. You may obtain the confirmation number by calling Absence Management at 1-800-942-3767 or Debbie Wilcox at 636-443-4002. Debbie is located at the Administration Center at 400 N. 6th Street. Her day begins at 6:30 AM.
7. You should have a calendar near your phone or computer to record your jobs. However, you can see your calendar on the Absence Management website.
8. Lesson Plans may be attached to the absence in Absence Management. Please check for lesson plans attached in Absence Management or any other attachment information a teacher may feel is important for you to know.
9. **Canceling a Job:** In case of an emergency or illness, you can cancel a position; however, you may not cancel the position online or over the telephone with Absence Management. You must call either the building secretary or the Sub Administrator (Debbie Wilcox - (636) 443-4002) to cancel. Please call as soon as possible, hopefully the night before or even earlier. Please send Debbie Wilcox an email if at all possible (dwilcox@stcharlessd.org). This is done to make sure that the district knows that there is a position not filled and needs immediate attention. If you cancel a position, you will not be able to pick up another position for that day on your own. You may receive another position through the building secretary or the Sub Administrator.

DISTRICT POLICY REGARDING PAY PERIODS FOR SUBSTITUTES

Substitute teaching positions in our school district are designated as temporary, part-time positions. You will not be considered internal candidates for other job openings.

Long-Term, temporary substitutes are arranged through the Human Resources Office.

Substitute teachers who are also working for another public school district must report those work hours to Debbie Wilcox in the Human Resources Office. In some instances work hours in the St. Charles School District may then be subjected to further restrictions.

PAY PERIODS: 5th and the 20th of each month. If the 5th or the 20th fall on a weekend or a holiday, the pay period will be the last day worked prior to those dates. A payroll calendar from the department of payroll is located following this page in this booklet.

RATES OF PAY: Substitute teachers** are paid \$96.00 per day. A full day is 6.5 paid instructional hours with an additional 30 minute unpaid lunch and unpaid 20 minutes before the assignment begins and 10 minutes after the assignment ends – being there for 7.5 hours. A half-day substitute will be paid \$48.00. A half day is 3 hours and 15 minutes of paid instructional hours and 20 minutes before the assignment begins and 10 minutes unpaid after the assignment ends – being there for 3.75 hours.

- Substitute paraprofessionals-paid \$11.00 an hour (full workday 7 hrs + 30 min unpaid lunch)
- Substitute nurses-paid \$20.24 an hour (full workday 7.5 hrs + 30 min unpaid lunch)
- Substitute secretaries-paid \$11.90 an hour (full workday 8 hrs + 30 min unpaid lunch)
- Substitute lunchroom/playground aides are paid \$10.82 an hour

“All hourly substitutes must complete a timesheet with signature and calculation of hours worked.” – Lunch time will not be included in the calculation of hours worked.

***For retirement tracking of hours, a full day teacher sub assignment is considered 6.5 hours, a half day is 3.25 hours (these are instructional hours). Anything over 3.25 hours (3.75 hours with 20 minutes before and 10 minutes after) is considered a full day and will be reported and paid as a 6.5 hour full day with the expectation of the sub completing the day.*

For a substitute administrator, (a retired administrator/principal from our district) a full day sub assignment is considered 7 hours with a 30 min unpaid lunch and arrival 20 minutes before your day begins and 10 minutes after the day is complete. (you will be there 8 hours, but will be reported as a 7 hr day).

Long Term Substituting as a Teacher: It is preferred that long term substitutes be certified in the subject area. Effective on the 11th day of a consecutive assignment for the same teacher, the substitute will be paid \$101.00 per day (\$5.00 added to the \$96.00). If the substitute serves longer than 30 days in the same position, the rate of pay increases to \$201.00 per day. This increase only applies to a substitute teacher. You are permitted to have one missed day on long-term assignments. If you miss more than one day, you will have a break in service and your pay will return to \$96.00.

DIRECT DEPOSIT: Direct Deposit is mandatory. A voided check is required by payroll in order to verify the routing numbers of your account. This information is kept confidential in the payroll department.

If you are a new employee, please check your next two paychecks very carefully. They are likely to be **REAL** checks that need to be cashed or deposited while we are getting your account ready to accept direct deposit. When the (\$\$\$\$) are replaced by the word **VOID** you can be sure direct deposit is active and the **NET AMOUNT** on your pay-stub has been deposited into the account your specified.

DISTRICT PROCEDURES FOR SUBSTITUTES

1. Substitutes Teachers are expected to arrive at least 20 minutes early to take care of their paperwork (Daily Substitute Sign-In Sheet) and to look over the lesson plans. The 20 minutes has been incorporated into the substitute report time listed in Absence Management when you accept a position. This is in reference to a normal call and not a late call to substitute. Stay a reasonable time after the final bell to ensure that all students have safely left the building. We suggest at least 10 minutes. Ten minutes after the end of school is incorporated into the substitute report time on Aesop. Substitutes that are paid hourly (substitute paraprofessionals, substitute lunchroom/playground aides, substitute secretaries and substitute nurses) do not have any time incorporated into the report time for the substitute as they are being paid for the hours that are in the Aesop system.
2. Lessons plans will be in place and ready for the substitute. **Substitutes are expected to follow the teacher's substitute plans.** If plans are not provided, please work with the principal or building secretary. The substitute nurse will follow the nurse's sub plans found in each building's clinic. The substitute paraprofessional will follow the direction of the teacher. While with students, substitutes should be attentive to the students and not doing activities that would distract from performing their duties, as well as being distracting to the student.
3. Substitute Teachers are not allowed to leave a classroom unattended during classroom time. In an emergency, you will need to contact the main office and report your situation to the principal or assistant principal so they can assist you.
4. Follow directions during emergency drills. Obey all safety rules, including rules protecting the safety and welfare of students.
5. PHYSICAL AND VERBAL ABUSE TO STUDENTS OR CO-WORKERS WILL NOT BE TOLERATED. Substitutes are not allowed to touch students at all (hugs, pats, etc.). If reported and witnessed, the substitute may be RELEASED FROM DUTY.
6. Profanity is inappropriate. Treat students with respect.
7. Substitutes will call the office when a student is out of control. (The building secretary's telephone number and name are listed with Building Directions). The Principal or Assistant Principal (if available) will come to the room and address the situation.
8. Keep all student records, medical information and other sensitive information confidential as directed by law, Board policy, district procedures and the substitute's supervisor.
9. **NO CELL PHONES DURING CLASSROOM TIME.** **Substitutes are not permitted to be on their cell phones during class time. Cell phones can be used during plan-time or lunch time....but must be turned off when arriving back to the classroom.** To use the classroom phone, please dial 8 for an outside line. If dialing within the district, just dial the last four digits of the phone number to connect to another district telephone number.
10. There may be times when you are asked to substitute in a different classroom during your teacher's plan time. In most cases, this is when a school is unable to find another substitute for a teacher. We appreciate your flexibility.
11. Substitutes must work at least two jobs during each semester in order to remain on the substitute roster. Exceptions may occur due to medical or extenuating circumstances. However, if a substitute does not work at all during a school year, they must reapply through Applitrack and be rehired to substitute (be interviewed and accepted) and submit to an FBI fingerprint background check at their own expense.

WHAT YOUR TEACHER AND BUILDING PRINCIPAL EXPECTS OF YOU, THE SUBSTITUTE.

1. Dress professionally and in a manner that will not interfere with the educational environment (business casual) If teaching physical education wear appropriate attire; walking shorts, sweat suits and tennis shoes (no short shorts). While working paraprofessional positions; casual attire is appropriate when working with students with special needs.
2. Follow the building schedule. **Follow lesson plans carefully. Remember to maintain good classroom discipline.**
3. **Leave a short note at the end of the day.** This note should cover the work completed, work unfinished, absent students and any comments about problems arising from work. This can also include the students who were helpful and the students who tried to disrupt the learning process. Please remember to be professional in your comments; you are a guest teacher in this classroom. Additionally, completing the feedback form on Absence Management is requested. The teacher does have permission to view your feedback.
4. If equipment is used, leave equipment in proper place.
5. **Be familiar with the building safety rules and regulations** (check with the office when you arrive, if you have questions).
6. Be sure to check the teacher's mail box for bulletins, special announcements, etc. Save all information for the regular teacher. You may leave mail in the teacher's box.
7. If questions or problems arise, call on any teacher nearby for assistance in resolving the situation, if the principal is not available.
8. If you are a substitute teaching science, be sure all burners are off.
9. Leave the classroom in an orderly fashion; at least make certain it is left the same way as when you arrived.
10. **Supervise your students at all times.** Start classroom lessons as soon as possible.
11. Know the school rules - be an informed substitute.
12. Refrain from sarcasm, or making a hasty decision in managing students. Physical punishment and/or verbal abuse (of any kind) will not be tolerated in our district.
13. Expect cooperation and respect from the students. Please be respectful of students' opinions.
14. If a student in your room becomes ill or injured, notify the nurse's office immediately (the clinic's extension is listed with directions to the school). Do not move students who are unconscious or seriously injured.
15. Students are not to be left unattended during the regularly scheduled class periods. If emergencies arise, seek the assistance of a regular teacher in a nearby classroom or from the office.
16. Always use your best Professional Judgment.

PROMOTING AN ATMOSPHERE OF GOOD BEHAVIOR IN THE CLASSROOM

1. Be consistent; do not change rules or expectations. Too many changes will confuse the students.
2. Children need a little time to adopt change and know what is expected. Be patient.
3. Do not be vague; be specific in what the students need to do. Make sure that they understand instructions and concepts before they get to work.
4. Always encourage your students to do their best. If they make mistakes, emphasize the negative less and the positive more.
5. Do not threaten punishment that cannot be carried out. Only after careful thought should you tell a child the consequences for their unacceptable behavior.
6. Be specific in telling children what needs to be corrected; whether it is in the area of subject material that is wrong or in the area of behavior.
7. When a child needs to be redirected, use a positive approach. Give positive feedback for good choices.
8. Never ignore a bad situation. Pretending that an incident did not happen will not make things better. Instead take careful steps to bring things back under control.
9. Express to the students that you have high expectations for ALL.
10. Maintain composure at all times and avoid labeling students.
11. Monitor students regularly by moving about the room to observe work progress and behavior.

CHANGE IN PERSONAL DATA

If you move to a different address, change your name, marital status, or receive a new telephone number, please notify the Human Resources Office, specifically Debbie Wilcox, in writing within five days.

MANDATORY TRAINING

All employees must complete mandatory training on a yearly basis. The Assistant Superintendent of Human Resources office will facilitate and inform employees of required training. Verification of completion is required.

SUMMER TRAINING FOR THE FOLLOWING SCHOOL YEAR

During the summer (just prior to mid July) all subs will be deactivated in Absence Management and information will be emailed to them regarding training for the following school year. Once your training is completed and verification is returned to the Substitute Coordinator, you will be reactivated in the system. If you are not interested in substituting the following school year, please send me an email to notify me of this change in status.

UNIVERSAL PRECAUTIONS

What do we mean when we say UNIVERSAL Precautions?

Universal Precautions is an approach to infection control in which all human blood and certain body fluids are treated as if known to be infectious for HIV, Hepatitis B and other blood borne pathogens.

In the school setting, it is not possible to know who may be a carrier of an infectious disease and what germs may be present. Persons with infections do not always have outward signs & often are not aware of being infected. However, you must take universal precautions while you are at work and in other situations that will help protect you from infectious diseases. Universal Precautions include the following actions:

1. Wash your hands with soap & water at regular times during your workday. Common infectious diseases maybe contracted from dirt and waste encountered in the work place. **BLOOD IS THE SINGLE MOST IMPORTANT SOURCE OF HIV INFECTIONS AND HEPATITIS B.**
2. Avoid punctures with objects that may contain blood of others.
3. Handle discharges from another person's body (**PARTICULARLY BODY FLUIDS CONTAINING BLOOD**) with gloves and wash hands thoroughly when you are finished.
4. Paper towels, tissues contaminated with blood should not be disposed of in a classroom trashcan. These bloody items should be flushed down the toilet or brought to the clinic for disposal.
5. Open, oozing or bleeding wounds should be cared for in the clinic or covered with a band-aid if the wound does not require cleaning of excess or dried blood. For small cuts, students can wash the area with soap and water in the restroom and return to you for a band-aid.
6. Clothing or supplies contaminated with body fluids should be placed in a doubled plastic bag & tied.
7. Used needles, Exacto blades, broken glass or other sharp instruments should not be discarded in the classroom trash can but placed in a Biohazard Infectious Wastes Sharps container. There is such a container in the clinic.
8. Any surface or object that is contaminated with blood or infectious body fluids should be cleaned promptly. Decontaminate surfaces with appropriate disinfectant. Household bleach mixed at a ratio of 1 part bleach to 100 parts water (1/4 cup bleach to 1 gallon water). The building custodian should be available to decontaminate surfaces.

SNOW DAYS

If you have been called to substitute and school is cancelled due to inclement weather, please do not report to school. School closings are reported over local TV stations and listed as "City of St. Charles Schools". You will not receive a call from Absence Management. The Absence Management Coordinator will cancel all jobs so you would get an email with notification of the cancelled job if you have an email listed in your profile.

NO SMOKING POLICY

The district has a "no smoking policy" for all buildings and on school property. This includes all electronic "vapor" smoking devices.

FACULTY AND STAFF COMPUTER USAGE GUIDELINES

The District Technology Office of the St. Charles City School District has established the following guidelines for regulating the use of district-owned computing systems and facilities. The following guidelines apply to all district employees.

Using Your PC

It is important to remember that the St. Charles City School District owns the PCs and servers used here. As such, the district reserves the right to monitor the use and content of all PCs, networking equipment, and files stored on its systems. Safeguard your privacy by using the equipment here only for legitimate district purposes.

Installing Software

No employee may-without the specific consent and cooperation of the Technology Office-download and/or install ANY software package onto district computers. This includes, but is not limited to, screen savers, games, educational software, and other third-party programs. For both operational and legal reasons, it is crucial that the District Technology Office manage what software is installed on district-owned Macs and PCs.

Purchasing Computer Equipment and Software

Without exception, the District Technology Office must pre-approve all computer equipment and software purchases. This is essential so that the department can arrange for proper integration of new equipment into our network. Most importantly, it ensures proper software licensing, which is a top priority of the district.

Email and the Internet

Email is used only for normal district communication. Using your email account or the Internet to transmit or receive pornographic or inappropriate materials is an extremely serious violation and will result in disciplinary consequences.

REPORTING AND INVESTIGATING CHILD ABUSE/NEGLECT

The Board of Education requires its staff members to comply with the state child abuse and neglect laws and the mandatory reporting of suspected neglect and/or abuse. Any school official or employee who knows or has reasonable cause to suspect that a child has been subjected to abuse or neglect, or who observes the child being subjected to conditions or circumstances that would reasonably result in abuse or neglect, shall directly and immediately report or cause a report to be made to the CD (Children's Division of the Department of Social Services), including any report of excessive absences that may indicate educational neglect. No internal investigation shall be initiated until such a report has been made, and even then the investigation may be limited if the report involves sexual misconduct by a school employee. Employees who make such reports to the CD must notify the school principal or designee that a report has been made. The principal or designee will notify the superintendent or designee and the district liaison(s) about the report.

Retired Public School Employee

RETIREMENT STATEMENT

If you have retired from a public school in Missouri and contributed to the Public School Retirement System (PSRS or PEERS), the district recommends carefully reviewing his or her PSRS/PEERS retirement statement each year to determine the accuracy of the report.

It is also your responsibility to make sure you are following all of the procedures provided by PSRS/PEERS. Please check on the PSRS/PEERS website (<https://www.psr-peers.org>) for further information.
