Save with a Delta Dental PPOSM dentist

Although the Delta Dental PPOSM plan allows you the freedom to visit any licensed dentist, you'll save more on your out-of-pocket costs when you visit a Delta Dental PPOSM dentist. The Delta Dental Premier[®] network also provides cost-saving features and is the next best option when you can't find a Delta Dental PPOSM dentist. The dentist you choose could affect your cost.

Most potential savings with Delta Dental PPOSM dentists

- › When you visit your dentist, you should ask specifically if he or she is a contracted Delta Dental PPOSM dentist.
- › Delta Dental PPOSM dentists agree to accept Delta Dental PPOSM contracted fees.
- › You'll usually pay less when you visit a Delta Dental PPOSM dentist.

Find a Delta Dental PPOSM dentist

To find a current listing of Delta Dental PPOSM dentist locations:

- › Visit DeltaDentalMO.com, select "Find a Provider" and click "Find a Dentist."
- › Select "Delta Dental PPO" as your plan network.

Some savings with Delta Dental Premier[®] dentists

Premier dentists' contracted fees are usually slightly higher than those of Delta Dental PPOSM dentists.

Premier dentists will not bill you above their contracted fees, so you still receive some cost protections not available with an out-of-network dentist.

No savings with out-of-network dentists

Out-of-network dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit a out-of-network dentist.

You are responsible for the difference between what Delta Dental pays and the dentist's fee.
