

Our Town St. Charles

St. Charles City School District

"Building Community begins with Play"

In August 2018, the District will open a state-of-the-art early childhood center that will be able to serve 320+ students. It was important to the District to have a school that would complement and enrich the amazing learning experiences that occur in our preschool classes. Located at 1301 Boone's Lick Road, our 50,000 s.f. building will house 16 classrooms which are designed to be flexible space that will meet the need of our students as our program continues to grow.

The "flagship" of our building will be a one-of-a-kind, indoor gross motor and dramatic play room customized to be a miniature version of the shops of Main Street where students could play restaurant keeper, fire chief, medical professional, mayor, trolley conductor, or whatever else they choose.

We are excited to engage our St. Charles philanthropic community and invite them to become naming partners of "Our Town, St. Charles". Your investment will create life-long memories, foster friendships and help teach our children the value of community.

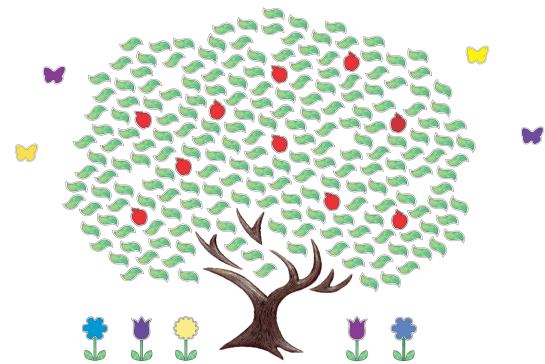

Sponsorship of actual structures includes naming for perpetuity, signage on or near the miniature "house" and a special ribbon cutting ceremony during the donor reception tentatively scheduled for August 10th, 2018. Community ribbon cutting is scheduled for August 11th.

St. Charles School District
